Baking Instructions

1. Preheat oven to **425°**...unwrap pizza...you will use the cardboard circle to help place & remove pizza from oven
2. Using cardboard, place pizza and parchment paper on upper rack, **remove cardboard** and save for later
3. Bake 10-13 minutes or until you reach your desired crispness (all ovens vary, start checking at 9 minutes)

PROFESSIONAL TIP: rotate pizza one half-turn at 6-minute mark

4. When done, slide cardboard under parchment to remove pizza from oven, discard parchment and allow pizza to cool for 2-3 minutes before slicing. Enjoy!

Baking 2 Pizzas? use middle & upper racks and switch at 6-mins, add 1-2 mins

Pizza Screen, Pan w/ Holes? same preheat, upper rack, no parchment, 10-13 mins

Pizza Stone? same preheat (get stone hot-hot-hot), no parchment, 10-13 mins

Grill? Preheat a stone for 10 mins, place on stone w/ hood closed for 10-14 mins
